

NKUA GCD- Invitation

Athens, 11th of May 2022

The National and Kapodistrian University of Athens has taken over since the 1st of April the CIVIS Presidency!

In that context, NKUA is hosting the "Global CIVIS Days" which will be held on 18-20 May 2022 in Athens. "Global CIVIS Days" is the main annual event of CIVIS, gathering students, university staff, civil society, innovators, policymakers and local representatives from across Europe. We come together to connect, discuss and cooperate to build the European University of the future and to find innovative solutions to societal challenges.

The event will focus on the topics addressed by the CIVIS Hub 2 which NKUA leads: “Society, Culture and Heritage”. The three days will feature numerous workshops, conferences and meetings.

More specifically, as part of the “Global CIVIS Days”, the open sessions-conferences are also open to external participants and focus on the following various multidisciplinary themes:

- **Public conference on Education: Bridging present and future education at FOR EU level - A visionary approach**
Wednesday, 18/05/2022, 17:00-19:00 EEST, Argyriadis plenary room, Rectorate, Panepistimiou 30, Athens
- **Open Labs: Creating new ways of approaching and addressing local needs**
Thursday, 19/05/2022, 09:00-13:00 EEST, Drakopoulos plenary room, Rectorate, Panepistimiou 30, Athens
- **Open Panel: Focus Area Society**
